In August 2021, a former employee posted a blog post detailing the company's "toxic" work culture and poor working conditions. The employee claimed that she was fired after speaking out about these issues and later filed a wrongful termination lawsuit against the company as well as several co-workers associated with her firing. The suit, which for the most part was dismissed, claimed that former CEO David Baszucki played an integral role in her firing as he forced the team to "ignore basic standards of professionalism". It also cited him for saying that "female workers in [his] office and in the tech industry were 'annoying' and should not serve in a high-ranking position."

Most Roblox games are made with the 3DTotal modeler because most of ROBLOX's games use 3D models rather than textured 2D ones. Paint is also a popular option for creating objects and UI elements due to its simplicity.

This is a very unique method that allows you to get free Robux on Roblox. This method is simple and the reason it works so well is because people will not expect it as this kind of a generator can only be done by hand. You will have to create an account for G2A and go through some verification processes in order to use these tools. Once you have done this, then you will be good to go and have access to the hack tools.

Since August 22nd 2021, ROBLOX has started giving out special items with its gifts based on user's activity on the site. The gift's creator is put in charge of the user's activity and if they are lucky, they can get the special item that the user has been awarded. Since August 22nd, 2021, ROBLOX has given out a special hat for every new user. Every day until September 12th 2021, a new "secret" item was given out every day. On December 11th 2021, ROBLOX stopped giving out secret items at midnight (UTC+8). From December 11th to December 25th 2021, ROBLOX gave out a special item with 30 days of free VIP membership to all users who had signed up for Roblox Prime on their account in the previous year.

The acquisition is part of a strategy by RoLabX to become a global gaming powerhouse with operations in China, with over 50% of revenues coming from China alone by 2021. The deal also confirmed that Tencent will continue to operate as the chief customer and user experience partner for ROBLOX. In late 2021, ROBLOX announced that they would be running advertisements on their site. Unfortunately, these advertisements were run-of-the-mill ads and did not produce any revenue for the company itself but also had a negative impact on their community as they were being flooded with ads featuring nudity, extreme gore, racism and other inappropriate content. In addition to this, many games would feature these ads despite not making any money from them themselves. ROBLOX was banned from Xbox Live in 2021 due to the game running advertisements which violated Microsoft's Terms of Service by being inappropriate for children. The ads contained anime-style nudity and extreme gore. This was later changed however when Roblox reached an agreement with Xbox Live regarding the matter between them.

In 2021, David Baszucki, an MIT graduate and former robotics engineer, teamed up with co-founder Erik Cassel to create a game for the iPhone. After using the iPhone prototype to showcase the technology at Apple's Worldwide Developers Conference in 2021, they partnered with Roblox Corporation to develop a new platform for their ideas. In April 2021 they founded Roblox Corporation to create games and developer tools on Roblox. Both were inspired by Lego and video games.
